Diploma in Leadership and Management for Adult Care Level 5 (RQF) – 610/7047/6

The Diploma in Leadership and Management for Adult Care Level 5 RQF is designed to equip students with the knowledge, understanding and skills required to work in a management role with adults in an adult care setting.

The Level 5 Diploma in Leadership and Management for the Adult Care qualification is aimed at students that manage care and support services within the adult care sector. The qualification will ensure that the learners have the necessary skills and knowledge to lead and manage the service.

Entry requirements

Learners must be working in an appropriate adult care role and have access to workplace evidence. An initial assessment and skill scan will be completed before enrolment to confirm suitability and identify individual support needs.

Programme Length

- 9 – 12 months depending on experience

Programme Schedule

- Sessions adapted to meet student needs
- Elements of independent self-study
- Monthly one to one sessions to provide guidance and feedback
- Professional discussions, direct face-to-face observations, tutorials and teaching

Costs

- All prices are based on an individual cost per student
- All costs include registration, certification, and all assessment requirements, including access to a virtual portfolio

Progression

Successful completion of this qualification supports progression into Registered Manager, Service Manager, Operations Manager, Area Manager and other senior leadership roles within adult social care. Learners may also progress to specialist leadership programmes, continuing professional development (CPD), higher education or sector-specific qualifications, enabling them to further develop their expertise and advance their careers within the health and social care sector.

Diploma in Adult Care Level 5 (RQF)

Students must complete all units contained within the mandatory group. Plus, a minimum of 10 credits from optional group B. Learners may also complete a maximum of 5 credits from optional group A.
